#### THE DREAMWEEK SUMMIT

# EXCHANGING IDEAS. INSPIRING DISCUSSION. IGNITING CHANGE.

Each annual DreamWeek Summit comprises a series of events designed to celebrate our humanity by creating environments for civil and civic engagement while embracing ideas & dreams for the common good. Events take a variety of forms, from symposiums, panel discussions and debates to film screenings, concerts and art exhibits.

Since its inception, DreamWeek has gained unprecedented momentum. In just over ten years, the summit annually draws over 100,000 attendees to over 200 events, hosted by more than 150 hosting partners, throughout the San Antonio area. DreamWeek is concurrent with the City's annual MLK Commemorative March, which has grown to become one of the largest in the country since the first march in 1987.
