THE DREAMWEEK SUMMIT

**EXCHANGING IDEAS.
INSPIRING DISCUSSION.
IGNITING CHANGE.**

Each annual DreamWeek Summit comprises a series of events designed with a singular purpose in mind: to foster the free exchange of ideas on universal issues affecting the human race. The aim is to invite all to participate in an open forum where real-world issues are discussed, with the understanding that the truest voices will always prevail. Events take a variety of forms, from symposiums, panel discussions and debates to film screenings, concerts and art exhibits.

Throughout the summit, participants honor the past, take stock of the present, and present a vision for the future. Since its inception, DreamWeek has gained unprecedented momentum. The summit has grown to include more than 100 partners hosting over 200 events throughout the San Antonio area annually and attracting a global audience of civic-minded individuals.

DreamWeek is concurrent with the City's annual MLK Commemorative March, which has in turn as grown to become the largest in the country.

A SAN ANTONIO SUCCESS

San Antonio is a city of a confluence of rich and diverse cultures; Mexican, Tejano, German, Irish, Czechoslovakian and more. The city's unique history has laid a foundation for people of all cultural and ethnic backgrounds to coexist and thrive as one community. San Antonio is one of a handful of major U.S. cities which classifies as a majority-minority city. Now positioned as the sixth largest city in the nation, **forecasts predict the city's population will continue to expand, solidifying its position as one of the fastest-growing cities in the United States.**

DreamWeek's success stems from its authentic grassroots origins and remarkable growth. Born from a 2011 mayoral challenge to create educational events promoting the exchange of ideas, DreamWeek launched in 2013 with just 20 partners hosting 35 events. Over a decade later,

the summit has expanded to over 250 events - sponsored by 175 partners - at more than 125 venues citywide, reflecting the community's hunger for spaces where differences are embraced and common ground is discovered. The event has become deeply woven into San Antonio's identity.

Connected to the city's annual MLK Day march—one of the nation's largest with close to 300,000 participants—DreamWeek extends that spirit for 17 days. The summit's commitment to keeping events free or at minimal cost ensures accessibility for all, while timely annual themes like 2025's "We Are Neighbors" address contemporary challenges with mutual respect, creating a platform for constructive dialogue and ongoing progress toward a more embracing community.
