**Segregated by race. Punished for being Mexican American.
Eight children testified against injustice. This is the untold story
of how they changed education in Texas.**

Dr. Enrique Alemán will share and discuss his documentary, which brings to light the discriminatory practices of some Texas schools in the 1950s and tells the story of the eight children who testified against their school district in federal court.

**"Stolen Education" documentary will be shown
to accompany Dr. Enrique Alemán discussion.**
